**Zelocity Golf to Make Donations on Behalf of
Women Golfers to Celebrate Women's Golf Week**

Scottsdale, Arizona. Women golfers who are struggling with controlling shot distance now have a solution that helps the American Heart Association at the same time, thanks to Zelocity, the pioneers in golf performance monitors.

In celebration of American Express Women's Golf Week, presented by Golf For Women Magazine, Zelocity will donate \$50.00 for every PureContact™ golf improvement monitor purchased by a woman golfer between June 3-10, 2006 to The American Heart Association's "Go Red For Women Movement"

Zelocity Co-Founder Kay Comaford said, "We are very happy to play a small part and help such a great cause as the Go Red for Women Movement.

"It's our hope that more women will catch the golfing bug and enjoy the game as much as I have."

Every time a woman golfer purchases a PureContact™ unit between June 3 – 10, a donation of \$50.00 will be made in that golfer's name to the American Heart Association. Zelocity will also offer free shipping to encourage more women to help this worthy cause.

Women golfers should contact Zelocity at 888-ZELOCITY (935-6248) and ask to speak to a PureContact™ Specialist. Woman golfer can learn more about PureContact™ by visiting www.zelocitygolf.com
